Rock Creek Consulting Group is a full-service accounting firm dedicated to giving you the freedom to focus on your business and peace of mind in your individual financial matters. Our dedicated and experienced financial experts are here to help you navigate the challenges you face and to provide trusted guidance that takes you to the next level of success.

Approachable and client-focused, our high-quality, personalized service sets us apart. No matter where you are in your business, you can count on our accounting professionals to create a clear pathway to help you reach your goals and to provide innovative and advanced solutions. From business taxes to sophisticated assurance capabilities and strategic consulting, we're proud of the reputation we've earned since opening our doors in 2009.

We're Certified QuickBook ProAdvisors, and recognized as one the "Best Accountants in Southern Oregon."

OUR APPROACH

The Rock Creek approach is unique because we know you don't simply want a record of what your business has done. Instead, you want what the huge corporations of the world have with their teams of financial experts...you want **clear guidance and accurate information**.

Having a clear financial picture will help improve your operations and your cash flow.

Accuracy is the starting point, but your business thrives by **anticipating and solving problems**. We seek out tax and financial issues coming on the horizon so that you can be proactive.

Here's the plan:

1

DISCOVERY

We'll find out about your business, your needs, and your goals. From there, we'll agree on the services that best serve your business.

2

CLARITY

You'll get all the relevant data you need presented clearly and simply. If you have questions or need a sounding board, we are a call or email away.

3

GROWTH

With progressive margins and a clear plan, your future is trending towards growth.

OUR SERVICES GROW WITH YOU

FULL-SERVICE ACCOUNTING

Our accounting services provide thorough, accurate reporting and critical analysis that allows you to assess your financial health and realize your business goals. Our firm can help you by delivering financial statements and reports, and/or handling all your accounting tasks so you can concentrate on running your business.

To support your business needs, we can prepare everything from financial statements to compilations and reviews. We will also take the time to review all of your data with you throughout the year to offer insight and help you to understand the story behind the numbers. Our sharp financial analysis will give you better visibility into the factors driving your business.

TAX PLANNING & PREPARATION

We know one of your top priorities is paying less in taxes. This is best achieved through comprehensive tax planning. Whether you're an individual or a corporation, we can accommodate your needs. We work with you throughout the year to develop a customized plan with tax-saving strategies that are tailored to your unique situation. Our personal, one-on-one service and expert tax return preparation and advice will give you peace of mind, knowing that your return is in capable hands.

BUSINESS CONSULTING

We support clients on a full-service basis. Our business consulting services ensure that you are successful from the launch of your business and as you move forward. We know that there are many aspects of running a successful operation, and that's why we cover all the bases – offering everything from software selection to employee onboarding. Take a moment to review some of the consulting services we offer, and consider the items to fit your needs:

- Accounting software conversion and implementation
- QuickBooks training and consultation
- Management and control systems review
- Business valuation
- Strategic planning
- Entity selection
- Financial planning
- Trustee, executor, and administrative service
- CFO Services

OUR TEAM

Our background comes from accounting and finance in a wide variety of industries and businesses. Whether we are simply doing your books or performing full financial services, you'll get **experienced eyes that ensure more than just accuracy.**
